Help and Feedback

If you would like to learn more about the new BrightAuthor features described below, please download the [User Guide](#). If you are new to BrightAuthor, you can also visit the [Tutorial Videos](#) page. If you have any questions, please contact us at support@brightsign.biz.

Installation Instructions

Important: *Please uninstall any other version of BrightAuthor before installing this version.*

Changes Since 4.1.1.17

New Features

- Up-to-date localization support for the following languages: Chinese (simplified), French, German, Italian, Japanese, Portuguese, Russian, Spanish.

Bug Fixes

- The player no longer encounters a runtime error when transitioning to a Play File state using a Timeout event.
- Clicking the **interactive** option in the **Edit** tab no longer erases all media states in the interactive list.
- Selecting **Expand All** in the Presentation Tree View no longer causes BrightAuthor to crash when there are two or more zones in the presentation.
